**Day 2: The Cape Milner Hotel, Cape Town**

---

**Day Itinerary**

This morning you will be collected and taken on an orientation tour of the city. You will see the Company Gardens, Greenmarket Square, the SA Museum and Bo-Kaap. The afternoon can be spent at leisure. We suggest a visit to the V&A Waterfront, situated in the heart of Cape Town's working harbour, offering an abundance of indoor shopping and entertainment.

## Activities

### Company Gardens

The Company Gardens is a treed haven in the middle of the city and is surrounded by museums and fascinating buildings - St Georges Cathedral, the Salve Museum, The National Art Gallery and the Jewish Museum to mention a few.

### Greenmarket Square

In the heart of Cape Town's business district, you'll find Greenmarket Square. The square has quite a reputation, it has been a slave market, a fruit and vegetable market and, during the 1950s, a humble parking lot. These days it's just the place to look for clothing, glassware, hand-painted fabrics, footwear, music, sunglasses and curios from all over Cape Town and Africa.

Greenmarket Square is more than a flea market, not only will you find a wide range of goods to buy, there is also entertainment in the form of buskers, mime artists and jugglers, especially on Saturday mornings and other busy times. The market is a big success there are loads of coffee shops and restaurants in the vicinity, so take time out to sit at a sidewalk table and watch the world go by.

### South African Museum

At the South African Museum, you can see everything from dinosaurs to rock art and fossils to a stuffed quagga, the extinct zebra that once graced Table Mountain. These exhibitions document the evolution of animals and man in Africa. One of the highlights is the Whale Well where you can listen to whale sounds and see a life-size, 20-metre-long skeleton of the planet's largest mammal; the Blue Whale. This is always a crowd-pleaser with the kids.

### **Bo Kaap**

The colourful suburb of Bo Kaap was exclusively for coloured Muslims during the Colonial and Apartheid times and today, this group still makes up the majority of residents. The quaint cobbled streets, the museum, the authentic purveyors of Cape cuisine and Cape Town's oldest spice emporium are all worth a visit.

## **Day 3: The Cape Milner Hotel, Cape Town**

### **Day Itinerary**

The day is spent exploring the Cape Peninsula and visiting Hout Bay on the Atlantic coast before heading off to Cape Point for lunch (not included). In the afternoon we head back via the Boulders Beach penguin colony.

### **Activities**

---

#### **Cape Peninsula**

Extending into the Atlantic, the rugged Cape Peninsula marks the southwesternmost point of the African continent. It features pristine white-sand beaches met by craggy mountains interspersed with quaint little coastal towns. Cape Point and the Cape of Good Hope can be found along the southern end of this spectacularly scenic peninsula, while the northern tip is crowned by the world-famous Table Mountain which towers over the city of Cape Town. Visitors can look forward to a wide selection of activities including: hopping on a boat ride to Seal Island from Hout Bay, exploring the magnificent Cape of Good Hope Nature Reserve, and viewing the colony of African penguins on Boulders Beach in Simon's Town. Don't miss the opportunity to take in the breathtaking views from the top of Table Mountain.

### **Boulders Beach**

Boulders Beach in Simon's Town is ideal for kids as immense boulders shelter the cove from currents and large waves - but please always take care. It is a rare pleasure to swim with the penguins but don't touch or feed them. They might look cute and cuddly but their beaks are as sharp as razors and if they feel threatened they have no qualms about nipping the odd finger or nose.

### Travel Information

#### Safari Do's and Dont's:

Jenman Safaris has extensive knowledge and experience in most African Countries. Throughout the many years we have learnt about a few "Do's and Dont's" while travelling in and around Africa. We have therefore developed this list for you to read at your leisure. All tips are not always relevant to all the areas that you travel to – depending on your tour.

Due to a lack of transparent and credible regulation relating to ethically acceptable practices where captive wildlife is concerned, Jenman African Safaris has taken the decision not to support any activities that include physical contact with captive wildlife. We urge you to consider the ethical implications of taking part in any such activity that may be offered at your lodge.

#### Arriving for Safari

Get some rest on the first day of your arrival – you may need some time to adjust to a different time zone. Rather arrive a day early to rest and start off your tour refreshed and ready for adventure!

#### Currency

When you need to exchange your currency, avoid any exchanges on the street or in other areas that may seem suspect. Always note that even when people approach you with an, e.g., 50% premium exchange rate offer, this exchange is considered part of the black market and is illegal! Hotels, Camps and Lodges can change money, but sometimes the rate is slightly lower. We recommend that you visit an accredited Bureau de Change.

#### Credit Cards

Credit cards such as Visa and MasterCard are widely accepted in most areas as well as at bigger hotels and lodges.

#### Hospitals and Pharmacies

The larger towns in Southern Africa have pharmacies and hospitals, but you should always make sure you have enough of your medicine in case the pharmacies/hospitals don't stock them.

#### Telephone

In most areas you can call internationally – however please note that some of the smaller areas may not have these facilities and international phone calls are costly. Also, built up areas and towns do have cell-phone reception!

## Passports, Documents and Valuables

Please make sure that you keep your passport, documents and any other valuables with you at all times! We recommend that a copy of these documents should be made and kept in another safe place in case something happens to the originals. Never leave valuables alone and remember you are on safari, so expensive and valuable jewellery is not necessary.

## Safety

Every area (any where in the world) can be unsafe at times. Please take common precautions at all times and never walk alone, especially at night or in run-down areas!

## Packing

Remember to always check the amount of luggage you are allowed to take on the plane as well as on the Safari Vehicle – they may differ. We recommend that a soft bag is used instead of a hard suitcase as it's preferable on safari. Most air flights allow for 20kgs and our scheduled safaris are limited to 15kgs per person. Don't forget to put luggage tags on your suitcases (for the airplane and the safari).

## Luggage and Medication

Please be advised that you should put any medication that you need (e.g.: diabetes medication) into your hand luggage, even with the strict regulations, airlines will allow that as long as you have a letter from your doctor.

## What to wear:

You are on safari and out in the bush so make sure that you are comfortably dressed with comfortable shoes. Always have a mix of clothing including: summer clothes, light raincoat, warm top and a hat.

## Punctuality

Please be on time when you meet your vehicles for the game drives. If you run late you may delay the rest of the trip or miss something wonderful!

## Climate

Always remember that the African Sun may look gentle but it is strong and can be harsh. Too much sun can lead to headaches, dehydration, nausea and dizziness. Rather look after yourself by using sun screen and a hat versus trying to get a nice African Tan.

## Drinking Water

In built-up areas the water is safe to drink (mostly in South Africa) however, some areas it is not safe to drink the tap water at all! So we rather recommend that you drink bottled water at all times to prevent any illness. You may use the tap water to rinse your mouth when brushing your teeth! Ice is generally fine to consume, but sometimes it is better to be cautious. We advise you to rather drink bottled water at all times in Africa!

## Food and drink

Africa is famous for its fruit and fresh vegetables – which can be enjoyed all around Africa. Fruit and Vegetables should be peeled before eating. Drinks (including spirits) and cigarettes can be bought in most areas but are normally quite expensive. On our Safaris we do provide most/all meals which are prepared by our guide or at a lodge.

## Anti-malaria medication

A lot of areas in Africa are affected by Malaria – we strongly recommend that you take your anti-malaria medication. Take your medication exactly as its prescribed and directed, don't skip any medication! At the end of your safari, if at any time you develop influenza symptoms please consult your doctor immediately.

#### Power and Electricity

Most places (hotels, lodges) have electricity. But we always recommend that you should take a flash light with you on safari. Always remember if you plug something in (e.g.: One of your appliances) there may be a different voltage! The usual voltage is 220-240 AC. If your appliance does not match this voltage you need to bring a converter with as some lodges may not have a converter for you to use...

#### Photos

There will be many amazing photos that you will want to capture along the way on your safari. But, you need to make sure you don't take any photos of any people without their permission. Also, never take pictures of anyone/anything in the military, police force, armed forces, government, presidents or airports.

#### Animals

The animals in the bush and the ones that you may see on safari are wild and should not be approached! Animals may roam freely around so be observant and cautious when walking from place to place.

#### Tipping

Tipping is not included in meals unless there is a service charge included in the bill – then you don't need to tip. Normal tipping is 10% of the bill for drinks and food. Tipping for guides and drivers are always appreciated and range from US\$5 and US\$10 per day...

#### Driver-Guide/Safari Guide

Your driver and guide is complete with experience, information and knowledge of all the areas that you will travel to. Be sure to ask them lots of questions and feel free to chat to them about anything.

We hope that our list of 'Do's and Don'ts' have been useful and helpful. Please don't hesitate to contact us if you have any more questions that we haven't covered in the above list...

[info\(at\)jenmansafaris.com](mailto:info@jenmansafaris.com)

This vast country is undoubtedly one of the most culturally and geographically diverse places on earth. Fondly known by locals as the 'Rainbow Nation', South Africa has 11 official languages and its multicultural inhabitants are influenced by a fascinating mix of African, Asian and European cultures. Spend your days: discovering the gourmet restaurants, impressive art and nightlife scenes and fine beaches of Cape Town; enjoying a typical local braai (barbecue) in the Soweto township; browsing the bustling Indian markets in Durban; or sampling some of the world's finest wines at the myriad wine estates dotted around the picturesque Cape Winelands. Due to its rich and turbulent history there are plenty of historical attractions to explore including the Zululand battlefields of KwaZulu-Natal, the Apartheid Museum in Johannesburg and

Robben Island, just off the coast of Cape Town. Above all else, South Africa's attraction lies in its remarkably untamed wilderness with its astonishing range of wildlife roaming freely across massive unfenced game reserves such as the world famous Kruger National Park. With all of this variety on offer, it is little wonder that South Africa has fast become Africa's most popular tourist destination.

## **Banking and Currency**

### **Currency**

The currency is the Rand, which is divided into 100 cents. There are R200, R100, R50, R20 and R10 notes. Coins come in R5, R2, R1, 50c, 20c, 10c and 5c.

### **Banking**

Banks are found in most towns, and are generally open from 09h00 to 15h30 on weekdays and 08h30 to 11h00 on Saturdays (Closed Sundays and Public Holidays). Most of them offer foreign exchange services - with cash, bank & credit cards as well as travellers cheques. You can also obtain cash from automatic teller machines (ATMs). Several international banks have branches in the main city centres. Always advise your bank that you are travelling outside of the country as they might block your purchases if they are not informed.

## **Travel, Transport and Getting Around**

Travelling around South Africa is relatively easy by air, road and rail.

Principal air routes are serviced by SAA and British Airways, operated by Comair. There are 2 low-cost carriers on main routes, namely Kulula.com and Mango.

Facilitating travel around South Africa are 10 airports managed by the Airports Company South Africa (Acsa). In addition, there are some 90 regional airports, including the Kruger Mpumalanga International Airport in Nelspruit and the Skukuza Airport, offering access to the Kruger National Park.

An extensive tarred road system makes travelling in South Africa by vehicle convenient and easy. You will find gravel roads in rural areas though. Note:

A valid international driver's licence is required.

We drive on the left hand side of the road.

Wearing seat belts is compulsory and cellphones can only be used 'hands free'.

Speed limits are generally set at 120km on freeways, 100km on secondary roads and 60km in urban areas.

Toll fees apply on certain national roads.

Petrol stations are widespread.

Most global car hire firms have branches in South Africa

Another means of getting around South Africa are luxury inter-city bus services such as Greyhound and Trans-Lux. Metrobus buses are available for in-city transport. Metered taxis must be ordered by telephone. There is a hop-on-hop-off bus in Cape Town and Johannesburg.

Our rail system includes the long-haul, inexpensive Shosholozha Meyl Metrorail trains. More luxurious options are the Blue Train, Premier Classe and the steam train Rovos Rail. There is also the new Gautrain rapid transit railway system in Gauteng Province which links Johannesburg, Pretoria, Ekurhuleni and OR Tambo International Airport.

### **Food, Drink and Cuisine Advice**

Standards of hygiene in relation to food health and safety in South Africa, are generally high in hotels, restaurants, pubs and nightspots. Tap water in South Africa is safe to drink and cook with when taken from taps in urban areas. Not all tap water in rural areas is safe for consumption, so take precautions if necessary.

It is safe to eat fresh fruit, vegetables and salads, and put ice in your drinks. South Africa's fish, meat and chicken are of excellent quality, so there is no need to limit yourself when enjoying the local cuisine.

Restaurants are subject to South Africa's food safety control legislation, which is implemented by local government. Regulations include certification and regular inspections by health inspectors to ensure hygienic standards are maintained.

Street food is not as common in South Africa as it is in other countries, although vendors selling traditional snacks and meals can be found in city centres and townships. Food safety in such instances cannot always be guaranteed.

### **Climate and Weather**

South African temperatures, which are measured in centigrade, average at highs of 28°C to average lows of 8°C in the summer months while winter temperatures range from 1°C at night to around 18°C in the day. Average annual rainfall is on the low side at under 500mm a year, making the country somewhat dry. Much of the rain falls in the Western Cape in the winter, differing from the rest of the country, which experiences summer rainfall. On the plus side, the South African climate boasts more than its fair share of sunshine, recording an average of 8.5 hours a day.

### **Clothing and Dress Recommendations**

#### **Summer**

Bring clothes that are cool, light and comfortable because summer temperatures can get well into the 30 - 40 degree Celsius range in some areas. Also bring an umbrella or raincoat during summer as this is when most of the country gets its rain, but don't forget a swimming costume (bathing suit).

#### **Winter**

The winters are generally mild, comparing favourably with European summers. But there are days when temperatures dive, especially in high-lying areas such as the Drakensberg, so be prepared with jerseys and jackets. Cape Town gets its rain during the winter season so it's advisable to bring rain gear along.

#### **General**

Always bring a hat, sunglasses and sunblock as the sun can be strong even in the winter months.

Walking shoes are a good idea all year-round, with warm socks in the winter.

If you are doing business in the country, business attire (suit and tie) is generally called for in the corporate sector, but media for example generally dress more casually.

For game viewing, a couple of neutral-toned items will be useful, but there's no need to go overboard. A good pair of walking shoes is also advisable.

For the evening, if you are dining at an upmarket restaurant or seeing a show, smart-casual attire is recommended.

### **Electricity and Plug Standards**

Current is 220/240 volts at 50 cycles per second. A three-point round-pin adapter plug should be brought for your electrical appliances - such adapters are also available at major airports.
