

Care Instructions for Barletta Marine Vinyl Seats

Applicable for any year L Class models

- Clean with mild soap and water. Air dry.
- Remove tougher stains with mild detergent or mild cleaning agent like Fantastic or Formula 409
- Disinfect with 10:1 bleach solution
- DO NOT USE abrasive cleansers

Applicable for any year E and C Class Models

- For normal cleaning, wash vinyl upholstery with a soft cloth or soft-bristled brush lathered with mild, nonabrasive soap and lukewarm water. Before the surface dries, wipe with a clean, dry cloth to remove any residue. This procedure may be repeated to remove stubborn dirt or stains
- Ink spots can sometimes be removed by washing with soap and water followed by isopropyl alcohol
- Do not use any cleaning method that is not listed above, as other methods may attack the vinyl and cause eventual degradation
