Health & Nutrition

Marine collagen peptides from sustainable source

To meet the growing consumer demand for marine collagen peptide, Rousselot Health & Nutrition has selected and qualified a number of MSC (Marine Stewardship Council) certified fisheries to obtain high quality, wild-caught ocean fish, including sources from the Atlantic. Processed at the state of the art Rousselot factory in France, Peptan Marine is the ideal ingredient for demanding and conscientious consumers worldwide.

Why choose Peptan® Marine

100% ocean fish, wild caught

Pescatarian friendly

100% Marine Whitefish

MADE IN FRANCE
