

# Non-wheeled Fence

## Product Description

SportaFence™ is the “ONLY” professional grade portable fencing system on the market! A revolutionary new design that allows softball and baseball outfield fences to be easily moved from field to field. It can also be used for special events, crowd control, etc.

## Staffing Solutions

With the non-wheeled SportaFence™ system, an entire field can be ready for play in about two hours. This high quality fencing enhances player safety and adds excitement to the game.

## Product Features

Heavy-duty portable chainlink fence panels:

5'H x 10'L Weight: 115 lbs.

Constructed of durable galvanized steel with 9-gauge galvanized steel chainlink fence material.

Connectors secure panels together to form one continuous fence.
