

# The Sierra

The stylish Sierra doesn't skimp on sophistication. Featuring bold green cabinet doors, splashes of contemporary pink fabrics, and rustic oak features, this model is bang on trend.

---

A fresh lounge layout transforms the Sierra living area into a more social affair, equally good for entertaining guests and snuggling up in front of the TV.

The position of the side entrance door gives a huge impression of space as you enter the holiday home. Whilst the signature front aspect windows provide all the natural light you could need in the Sierra lounge. This bright and airy home is perfect for those who love an open plan layout.
