\*All Transtar remanufactured transmissions feature a limited warranty against design, materials or workmanship defect. Please see the actual Warranty Form for full warranty details, terms and limitations. All warranties are transferable and include fluid replacement, as specified on the Warranty Form. Limited rental car and towing reimbursement is included in Premium and Ultimate options. The Standard option has an expense cap at \$250, Premium at \$500 and Ultimate at \$1,000 (aggregate and inclusive of all expenses). Labor rates are based on the ALLDATA® Labor Guide.

Exclusions: The Ultimate Warranty Protection is not offered on transmissions utilized in vehicles (whether privately, corporately, or government owned) which are utilized in whole or in part for a commercial purpose or for the preservation or furtherance of public health and safety, including without limitation, passenger vehicles used for hire, reward or commercial use, public safety vehicles such as ambulances, fire trucks or police cars, fleet vehicles, taxicabs, vehicles used for public transportation, transit buses, snowplows, or vehicles used for contract or common carriage. In addition to the above exclusion, the Ultimate Warranty Protection is not offered on transmissions which are utilized in any vehicle weighing over 2000 lbs. or in any privately owned passenger vehicle which is taken off-road. The Saturn CVT transmission is also specifically excluded from Premium and Ultimate Warranty Protection.
