

IT'S BUSINESS AS USUAL, JUST VIRTUAL

A COMPLETE Virtual Trade Show Platform

**We're Not Your Ordinary Conferencing And Event Platform...
We're The Full Package Built On A Powerful Booking Engine**

Customer Experience

It's everything an attendee and vendor expect, but virtual. Order cart, purchase cart, digital catalog, inventory, show specials and more.

Boost Show Sales

Vendor pages showcase new products, display feature products and show specials, have an overview, host a pre-recorded video plus multiple catalogs.

Easy To Use

Designed with ease of use in mind, OrderEase Trade Shows have a simple navigation as well as search functionality, categories and sorting features.

The OrderEase trade show platform far exceeds anything else in the market for buying style trade shows. The post-show options to continue offering an eCommerce platform for your vendors provides significant value to your business and theirs.

Why It Works...

- A true buying show experience...virtually.
- Simple navigation and designed with user experience in mind.
- Boost sales with featured products and show specials.
- Multiple ways to engage with vendors and attendees with live chat, video chat, messaging and email.
- Can operate stand-alone or as a physical show enhancement.
- Customized show operator branding on event login and home page.

Package Flexibility

- Fully customizable show packages or standard packages to choose from.
- Designed to maximize your profitability.
- Your show, your way.
